THE MISSION OFFERINGS

The totals below for mission offerings do not include schools that failed to say what the offerings were for through 1951 (see column 2, page 1); and for 1952, they do not include these nor the schools that split their offerings between designations and the Cooperative Program.

Note how the percentage of schools giving to the Co-operative Program has changed from 1946 to 1952:

Year	Cooperative Program	Designations
1946	115 schools or 15.6%	620 schools or 84.4%
